### Golden Spa Body Ritual

Our Golden Spa Ritual offers a dazzling experience to rejuvenate the skin and relax the body. An apricot and flower exfoliating cream will leave you with a satiny soft feeling, while a golden body wrap cocoons you in the warmth of gold and flowers to detoxify, hydrate, and boost elasticity. The ritual is finished with an application of our Passionflower moisturizing body milk.

The following treatments start with our showerless scrub that polishes the skin to perfection using coconut hull powder and coconut oil from the exotic coast of Zanzibar.

### Detoxifying Envelopment

A full body cocoon of effervescent self heating mud dissolves tension and toxin build up from muscles, joints and tendons so the body is purified from deep within the tissues. After a slumber in this therapeutic wrap, a refreshing shower rinses away worries and a saffron and tiare flower infused body milk is applied over the entire body.

### Remineralizing Body Wrap
